

Irvine's American Dry Gin

Traditional London dry gin meets with American ingenuity in our unique hybrid distillation process for the ultimate flavor profile.

PRODUCTION

Hybrid distillation extracts bold and delicate aromas for the smoothest drinking experience possible. Botanicals are vapor-infused to enhance flavors.

FLAVOR PROFILE

Thirteen hand-selected botanicals including elderberry, black currant, Ceylon cinnamon, and tea create a flavorful, aromatic gin.

CHEF PAIRING

Pairs well with all manner of seafood, including British pub favorite fish and chips.

SERVING

Makes a perfect gin and tonic, silky smooth Martini, Tom Collins, or bold Negroni.

TECHNICAL INFO

Naturally gluten-free, Irvine's Gin is 90 proof, 45% ABV.
