CABERNET
SAUVIGNON
2019 ✨

FRUIT SOURCES

This Cabernet Sauvignon is crafted using grapes from select vineyards throughout Lodi. Cabernet from each sub-appellation adds a unique character to the final blend: Clements Hill adds tannin and structure; Alta Mesa adds a layer of jammy, ripe black fruit, and Sloughhouse adds hints of spice and the bulk from Mokelumne River contributes nuances of herbs. Nearly all of the vineyards are California certified sustainable.

VINIFICATION

The 2019 vintage, was a slightly cooler than normal vintage, with harvest starting one to two weeks later than usual. February brought heavy rain, but because the vines were in their winter dormancy, it did not affect the 2019 crop. Spring continued to be wet with some rain during flowering, followed by cool temperatures that allowed the grapes to mature gradually. Wine grapes across California ripened at lower sugars, thanks to the extended, cool growing season, and we love the full flavors, fresh acidity and superb balance of the 2019 fruit!

TASTING NOTES

This 2019 Cabernet Sauvignon is a clear California favorite displaying fruit-forward, smooth characteristics. The No Fine Print Cabernet Sauvignon is concentrated but not jammy, with aromas of blackberries, cherries and spice with flavors of plums, currants, dried herbs and toasted oak.

PEAK ENJOYMENT

The wine is designed for immediate enjoyment. Expect it to reach its best performance at about two years from time of bottling.
